

WELCOME MESSAGE

Dear Parents,

Greetings from KCInternational school!!

It is with great pleasure and a wonderful sense of anticipation that I write to you for this, the first time at the beginning of session 2017-18. I trust that the last session has been a real blessing and that you have had the opportunity to rest, relax and recuperate with your child but most importantly, to enjoy the blessing of unstructured time to be with family and friends and do the things you want to do.

A special word of welcome to all of our new parents who have admitted their child in the new session. We look forward to forging strong and lasting relationships with you as together we support your children on their life-journey at KC International School Jammu.

To our existing families, we look forward to welcoming you back to a new chapter in the lives of your children – one in which we trust that they will continue to grow in knowledge, wisdom and his/her plan for their lives.

We have developed a strong reputation for child care and firm behaviour management. This is based on strong, resilient teacher-pupil relationships and provides us with the capacity to provide your children with a positive, encouraging learning environment under-pinned by high expectations of each student to achieve to the best of his or her abilities.

Given the enormous effort that our teachers put into these additional co-curricular programmes, I feel encouraged to focus your attention on these comments once again as your children gear up for the new academic year.
